### BRISBANE WATER ZONE SWIMMING

Students from both Campuses of Brisbane Water Secondary College competed in the Zone Swimming Carnival on Thursday 7th March. All competitors made a fantastic effort as they represented the College. BRWSC came 3rd overall, which is the best achievement made in many years!

We also have two Zone Age Champions: Rachel Wood (Umina Campus) and Indigo Verhoeven (Woy Woy Campus).

Congratulations girls, names we need to look out for in the future!

Of all the students who represented BWSC – Woy Woy at the zone carnival we have 13 students qualify to swim at Sydney North Regional Carnival.

Big congratulations to the following students:
- Indigo Verhoeven (8 events)
- Lara Reineker (6 events)
- Shaun Cole (4 events)
- Liam Swan (2 events)

Wade Hannell, Emma Erichsen, Jessica Thomas, Madeline Whyte, Jason Mumford, Georgia Gordon, Priya Johnson, Damon Brady & Tyson Flanagan-Walton.

---

**NEXT P & C MEETING**

15th May
Umina Campus
7pm

**UPCOMING EVENTS**

- March 29  Good Friday
- April 1   Easter Monday
- April 2   Year 12 Mid Course Exams begin
- April 8 - 9 Learning Conference
- April 30  School resumes
- May 1     Anzac Day assembly
- May 9     BWSC Cross Country
**GREAT START TO THE YEAR**

Welcome to our March newsletter. Semester 1 is progressing well with many initiatives focussing on student achievement being implemented across the Campus. Last week Yr12 students had the opportunity to hear from some of our high achieving 2012 HSC students who provided advice on HSC preparation. It is important that students do hear from past students to gain an understanding of what is in front of them. The session was well received and hopefully all students were able to walk away with at least one new HSC preparation idea.

Congratulations to Mrs Hodges and her team for the organisation of the Campus Swimming Carnival. The response from staff and students indicate a highly successful event with a number of records being broken. Well done to all participants.

Mrs Francis has being organising a student and staff BBQ each Wednesday in the main playground area with students volunteering to play live music. The aim of the event is to bring the student body together, to provide opportunities for our student volunteer program and also provide practice time for music students especially Yr12 performers.

On 25th May our Campus Captains Aleisha Ford and Jason Mumford will be representing the College at the Woy Woy RSL ANZAC service. If you are going to the 10.30am service please give them your support.

Some reminders for upcoming events:

- Yr11 parent information evening will be held on Tuesday, 19th March starting at 6.00pm in the Hall.
- P&C meeting will be held at the Woy Woy Campus on Wednesday 20th March starting at 7.00pm. This meeting will be the AGM. If as a parent you want to hear more about what is happening on this Campus come along and make a contribution as part of our P&C.
- Yr12 mid course exams will commence on 2nd April until 12th April (last day of Term).

David Allomes Principal

**COLLEGE LEARNING CONFERENCE**

**MONDAY 8th & TUESDAY 9th APRIL 2013**

Dear Parent/Caregivers,

School Development Days for many schools in 2013 will be the first two days of Term 2 and day 1 of Term 3. However, Brisbane Water Secondary College has been given approval for a two day Professional Learning Conference to be held on Monday 8th and Tuesday 9th April. This model for professional learning has been the practice since the establishment of the college.

Students at Brisbane Water Secondary College in Year 10 and 11 will not need to attend school on Monday 8th and Tuesday 9th April. Students will return to normal classes on Wednesday 10th April. The Year 12 Mid-Course Examinations will still run during this time. If Year 12 students have an examination on these days they are expected to attend school.

Tuesday 30th April (Day 2 Term 2) and Monday 15th July (Day 1 Term 3) will be normal school days for all students at Brisbane Water Secondary College.

David Allomes

**RECONCILIATION ART SHOW**

**RECONCILIATION ART COMPETITION 2013**

**CALLING FOR ARTWORK ENTRIES**

**ARTWORK ENTRIES** due to BWSC Art Staffroom by Tuesday 26th March

**Opening:** BWSC Woy Woy Wednesday 27th March ‘A’ Block 4:00 pm

**CATEGORIES:**
A) Yr 7-12 Indigenous
B) Yr 7-12 Non-Indigenous or Collaboration

**ARTWORK:** May be any medium or form of art or craft

**WINNERS:** will be entered into Gosford Regional Gallery Reconciliation Art Competition 2013

**THEME:** You may select your own or consider National Theme - “Reconciliation”

*More Info: See Mr. Lynch*

The Reconciliation Art Show is on again. Entry is free and the two category winners go on to the Regional Gallery Exhibition in April and win the school Perpetual Trophy. Works can be craft or art in any medium made by an indigenous student, non-indigenous student or a collaboration on the theme of RECONCILIATION. The opening and prize announcements will be on Wednesday 27th March.
IMPOSITION

Band Imposition, featuring former student Ashley Knight and our three current students, Jefferey, Daniel and Dane have not only impressed our locals but the judging panel at the Hub's Battle of the Bands which is a large band competition held on the Central Coast. Their win entitled them to some great benefits. One benefit being an evening gig performing in front of the crowds at the Mariners football game a few weeks ago. They have a great sound and a fantastic vibe. There next performances are:

- Goats Fest Koala Park, San Remo – 7th April
- ANZAC DAY Woy Woy Leagues Club – 25th April 4-8pm

Please support our students and their goals. Search for IMPOSITION and click the LIKE button on their page.

WORLDS GREATEST SHAVE

Thanks to everyone who donated $900 on the day, Jessica is still attempting to raise $2000, so visit her website and be generous. http://my.leukaemiafoundation.org.au/JessicaJane
**Year 10 History Vietnam Day**

**Vietnam War Study Days**

On 4 and 7 March, Year 10 participated in one of two Vietnam War Study Days as a component of their History course. A major focus of both History days was a visit by the Nambus, which is stationed at Ettalong but tours around the State for educational visits to schools. The Nambus was crewed by veterans of the Vietnam War, who answered students’ questions about the many artefacts and memorabilia on board the bus and also talked to the students about their experiences in the War. The veterans who attended the two days complimented our Year 10 students on their attentiveness and good behaviour.

As well as the Nambus visit, Year 10 listened to music from the Vietnam War era and watched a performance of “Vietnam – Dusted Off”, a play about Vietnam veteran Frankie Hunt that was performed by his son Brett Hunt. The play was both funny and moving, and everyone was impressed with Brett’s storytelling, acting and musical skills.

I would like to thank the students of Year 10 for their participation and for the respect they showed our visitors on both days. I would also like to thank all the staff who contributed to making these study days a success.

Mr Wright
Year 10 History Co-ordinator

---

On Tuesday 12th March, BWSC – Woy Woy Campus entered two teams into the annual Touch Gala Day at Umina. We had a girls team and a boys team, which both had convincing wins during their pool matches. A team had to win their pool to qualify for the Semi-Finals. The girls went through undefeated and the boys had a nail biting decision based on for and against to make the Semi-Finals. Unfortunately the competition winners eliminated both teams in the Semi-Finals. Congratulations to all team members for such a successful day.

Most Valuable Player from each team was Abby Casey and Loughlin Kirwan.

---

The girls’ touch football team consists of students from Yr 10 & Yr 11. The girls have had a successful run so far in the state knock out competition.

- **Round 1 Vs Terrigal:** Won 14 – 2
  - Top Try Scorer: Gemma Crowson
- **Round 2 Vs Northlakes:** Won 14 – 0
  - Top Try Scorer: Jontelle Canterbury
- **Round 3 Vs Henry Kendall:** To be played in Week 8

The girls have great potential and we wish them all the best for future games.
Our Boys KO basketball team played Terrigal. The Terrigal Boys are an exceptional team, including a number of NSW State and Central Coast Rep players and beat us convincingly. Kyle Dolan showed great leadership on court and scored a couple of three-pointers. Fred Ganadan’s game has improved greatly over the past year and he demonstrated excellence in both offence and defence. Scott Adinall’s training has paid off and his height in both offensive and defensive rebounding was crucial to our team. Matt Wilson’s consistent effort on court left him with a hefty sweat every time he was subbed off. Matt is a great team player and made some very important shots and steals. Sage Mitchell is a good all-rounder, and his height and maturity both on and off the court in the team environment was impressive on the day, and I do hope this maturity and leadership continues away from the basketball court. Damien Fleming. What can I say!? Damien’s court awareness and teamanship is commendable. Both Jovenry Potestas and Duncan Sampson played way above their height on the day. Both put in huge defensive effort and moved the ball well in offence. Jovenry’s three pointer was particularly impressive. Nathan Bowden’s opening basket set a good standard for our game. Despite his lack of basketball experience, Nathan was able to bring his team-work and spacing awareness onto the court for Woy Woy. Billy Gleeson’s enthusiasm and commitment to the team was felt both on and off the bench. Billy will continue to remember that shot that nearly went in! Nathan Falkner has been an enthusiastic and important part of our training squad. He always puts in his best, and played well on the court against Terrigal. Coen Hardy was missed on the day, but the experience he gained in his workplace program was well worth missing the game. Thank you to all the team for your efforts in 2013.

Liesl Tesch

On 4th and 7th March 2013, students from Year 10 travelled to Terrigal Beach to conduct an array of fieldwork activities as part of the requirements of Year 10 Geography. Each day, students travelled between three sites around Terrigal Beach and Terrigal Lagoon. They were principally investigating the affects of coastal erosion on the human and physical environment. This was directly connected to the topic ‘Coastal Management’ which they are studying at school. After some quick demonstrations by teachers and the staff from Rumbalara Environmental Education, students were actively conducting beach profile surveys, determining the density of native beach vegetation, measuring sand particles, performing water quality tests and finding their ‘bearings’ (excuse the pun!) at the top of the Skillion. It was an enjoyable two days for all and students appreciated exploring and learning about the world beyond the classroom.

Many thanks to all Geography HSIE staff and the accompanying staff members.

Mr Cameron
Year 10 Geography Co-ordinator
SENIOR CAMPUS

(FOOD & BEVERAGE & COMMERCIAL COOKERY)
Welcome to our new Year 11 Hospitality (Food and Beverage and Commercial Cookery) students for 2013.

Our students this year are looking as professional as last year’s Yr 11 cohort and are working just as hard.

Pictured are our students who are wearing the required Work, Health and Safety Equipment and completed the Mise en Place required for a dessert, "Orange and Poppy Seed Friands with a Sugar Glaze".

Our students are starting the year looking great and working hard. Well Done!

A fantastic day had by all. Brilliant start to the day with the Yr 12 Floatie race and the number of participants throughout the day was uplifting. Students gained participation points as well as bonus points for placing first, second, third and fourth to go towards their house total.

Overall House Points for 2013:

1st Place 331pts – CROMELLIN
2nd Place 234pts – WEBB
2nd Place 234pts – DAVIS
4th Place 216pts – BOOKER

There were a number of stand out students who seemed to be always in the water. Congratulations to the following students who gained recognition as Age Champions:

15yrs Boy  Malcolm Bartlett
16yrs Boy  Shaun Cole
17+yrs Boy  Alex Gordon
16yrs Girl  Indigo Verhoeven
17+yrs Girl  Lara Reineker

Lastly, Indigo Verhoeven broke 5 records throughout the day. Congratulations on a massive achievement.
Brisbane Water Secondary College
Success at Canberra Royal Agricultural Show

19th – 22nd February

Sixteen students and four cattle represented BWSC at the Canberra Royal Agriculture Show. Preparation and training of cattle began last November and continued throughout the Christmas holidays. Seventy-eight cattle were prepared for competition by sixteen schools and fourteen pastoralists from throughout NSW presenting a very competitive field.

The College continues to maintain its successful record achieving excellent results with three out of four of the cattle placing as outlined below:

1st National Capital Domestic Commercial Heifer/Steer Heavy weight class bred by Mr and Mrs Kelleher. This steer continued to place third on the hook.

1st National Capital Domestic School Heifer/Steer Medium weight class bred by Mr and Mrs McCredie. This steer continued to place second on the hook.

4th National Capital Domestic Commercial Heifer/Steer Export Class on the hook supplied by Mr and Mrs McGilchrist

Approximately 200 students competed in the Paraders classes where BWSC was well represented achieving the following results:

- 14 Year old and under class 2nd Corey Jones, 5th Jake Barrett who placed out of 75 competitors in this event.
- Several seniors qualified for the finals with some achieving Highly Commended in a very competitive field.

Students enjoyed the opportunity to engage with peers from diverse regional areas of NSW.

The Cattle Show Team will continue focussing their preparation and training for the prestigious Sydney Royal Easter Show in March.

Cattle have already commenced arriving from across NSW for preparation for Wingham Beef Week in May.

Congratulations to Bruce Terare of Year 11, who is the successful recipient of the State Nanga Mai Leadership Award.

The State Nanga Mai Awards celebrate and recognise innovation, excellence and achievement in Aboriginal education in NSW public schools, school communities and Department of Education and Communities Regional and State offices. The Nanga Mai Leadership Award is presented to Aboriginal students who have demonstrated exceptional skill in promoting, encouraging and supporting participation across their school and community.

Bruce has displayed exceptional leadership skills over the past couple of years, not only at a Campus level but also at College and community level. Bruce has led successful performance groups at YIPA (Youth in Performing Arts), School Spectacular and Central Coast Showcase. Further to this, Bruce has led staff from BWSC through cultural workshops and he is also involved in supporting the leadership of the Mingaletta Aboriginal Corporation Boys didge group. Congratulations Bruce on your well deserved recognition.

Keli Klaassen
