OPEN BOYS TOUCH

BWSC defeated Erina HS 10 - 0 and progress to the next round vs Terrigal HS
Welcome to our March newsletter. The Term has been incredibly busy with many initiatives focusing on student achievement being implemented across the campus. In week 4 Yr12 students had the chance to hear from some of our high achieving 2014 HSC students. The ATAR assembly provided students a range of effective strategies to help manage what is always a busy and often stressful year. Our SRC recently hosted the World's Greatest Shave to raise money for Leukemia research. Many students have volunteered to participate in the Gosford City Poppy Project and Central Coast Centenary of Anzac March and Service to be held on the 18th April. Others will represent the College at Dawn Services across the Peninsular on Anzac Day.

I would like to take this opportunity to acknowledge Jack Steed for his dedication to developing and staging the inaugural BWSC Ping Pong Championship. An outstanding success highlighted by a number of very exciting and competitive matches all played in the right spirit of sportsmanship.

Congratulations to Mrs Hodges and her team for the organisation of the campus swimming carnival. The response from staff and students indicate a highly successful event with a number of records being broken. Well done to all participants.

I had the pleasure to meet with Yr 10 and Yr 11 parents recently at our annual parent information evenings. Parent participation continues to grow each year and no doubt is a reflection on the fact we are communicating these types of events through facebook messaging and the smart phone APP.

An ongoing concern to our welfare team is the increasing support required for students who are bullied and harassed by students via the internet. Although we have run many workshops to improve student understanding that cyberbullying is against the law, some students still believe they have a right to text and/or create facebook messages that are menacing and abusive. The Criminal Code Act 1995 states that if a person is found guilty of using a carriage service to menace, harass or cause offence the penalty can be 3 years imprisonment. If a person is found guilty of using a carriage service to make a threat to cause serious harm the penalty can be 7 years imprisonment.

Some reminders for upcoming events:

- P&C meeting will be held at the Woy Woy campus on Wednesday 18th March starting at 7.00pm. This meeting will be the AGM. If as a parent you want to hear more about what is happening on this campus come along and make a contribution as part of our P&C.
- Yr12 mid course exams will commence on the 23rd March until 2nd April (last day of term).
- The first day of term 2 (Monday 20th April) will be a school development day. Students will return to school on Tuesday 21st April.

TABLE TENNIS CHAMPIONSHIP

Battered & Bruised - Liam O'Farrell (with a broken hand) and Jack Steed (School Captain) have taken out the BWSC 2015 ping pong competition over The Dream Team - Ryan McBeatty and James Johnson

Thankyou to everyone that helped with the organisation.
Year 11 Aboriginal Studies and other year 11/10 indigenous students saw and learnt about the Darkinjung peoples sites around the coastal area. We started the day with going to Staples Lookout and we were told of how the indigenous people told the story of how the land got formed and how the creators of the land still watch over us today. Throughout the day we learnt about the customs of the traditional owners of this land. All day was about rekindling the relationship between us and the land. Jake Thomas
Congratulations to all students who participated in the activities and races on the 18th of February.
